

St. Vincent de Paul Waukesha County Community Impact Report

At SVdP Waukesha County we're passionate about making an impact in our community. Daily, we work to connect with our neighbors, especially the most vulnerable. We serve people living in poverty, helping to meet their immediate physical needs—such as food, clothing and transportation. Even more, we support those who desire to improve their lives for the long-term.

We are very grateful for the thousands of people who donate, shop, and volunteer for St. Vincent de Paul Waukesha—your support makes it all possible. Thank you for helping us care for our neighbors!
