## **Information**

We all need it, but sometimes it can be confusing knowing where to start.

As a Service Member, Veteran, or Family Member, you can start with Military Family Assistance Centers (FAC)s. We support all Service Branches, Active Duty, National Guard and Reserve, Veterans and their Families.

When you call a FAC Specialist, we will listen to you and based from our conversation, we will provide resources and referrals tailored to your individual needs. FACs have information on a wide variety of topics including: Crisis Information, Community Resources, Financial Information, Legal Information, TRICARE Information, and DEERs & ID Card Information. Give us a call, we're here to help.
